

Have you tried a Tomahawk Steak?

If you had, you certainly wouldn't have forgotten, as it's the ultimate 'wow-factor' steak. Named because it resembles the Tomahawk axe.

Our new sharing plate is just £55 for two people. A fabulous treat to share.

The Tomahawk Steak is an on-the bone Rib Steak, cut from the Fore-rib with the entire rib bone left. The long bone is French-trimmed, leaving an amazing presentation, and dinner table discussion point.

As it is bone-in Rib Steak, it has quite a large amount of inter-muscular fat, which gives it a load of flavour when cooked, as flavours are released from both the huge bone and the fat during cooking to give a sweet gelatinous flavour.

Our delicious 900 gram steak is cooked rare to medium with a choice of Peppercorn, Béarnaise, Diane or Salsa sauce and served with vine tomatoes, hand cut chips and mushrooms.
