Vegetarian Choices

THE INN offers a great selection of delicious & unique vegetarian options, available every day. And on Sundays for our Slunch menu we offer a vegetarian roast, as well as having a choice from any vegetarian starter or main course from the main menu.

Our Chefs want everyone to enjoy a memorable meal at THE INN, so we don't offer just a token mushroom risotto for Vegetarians. Most of our dishes can be adapted to be suitable for vegans too, just ask our friendly team.
