

*Dear Mom,  
I will love you forever;  
And forever you will be  
The most wonderful  
mother,  
You mean everything to  
me.  
Thought of buying you  
flowers  
in the usual way,  
But I knew you will  
prefer  
A FOREVER bouquet!  
I have woven a wreath  
of rhymes  
wherewith to crown your  
honoured name.*
